

Responses to Vendor Questions 12/20/18

Here are answers to some questions vendors had asked about the 3D Mammography and CT Scanner RFQs.

1. We will post fillable PDF documents for both RFQs. This will allow vendors to easily fill in answers to the areas where a vendor response is required.
2. We will grant an extension to vendors to submit their quotes. The date has been changed from January 9th to January 16th. This is in part, due to upcoming holidays and vendors not having a full staff available.
3. Graham County is not considering obtaining an ultrasound. At this time, no RFQ will be posted on the website for this piece of equipment.
4. The county is considering only new equipment for the quotes.
