

The Graham County Board of Elections has adopted a resolution for One Stop/Early Voting in an effort to enable eligible voters to cast their ballots in person during the early voting period. All One-Stop/Early Voting will be held at the Community Building located at 196 Knight Street (next to the county library) beginning October 15, 2020 through October 31, 2020. This decision was made in an effort to comply with mandated guidelines for social distancing due to the COVID-19 pandemic.

The Graham County Board of Elections office located at 18 Court Street will also remain open for anyone wishing to obtain an absentee ballot by mail, directions to the one-stop voting site, or any other election business.

If you have any questions or concerns please feel free to call the Board of Elections office at (828)-479-7969.
